School Additions - Internships Occupy Board

The board of trustees of St. Albert School District No. 6 held their regular meeting Mar. 14. Trustees Harvey, Cuts, Penrose, Wiltshire and Schroder attended along with superintendent Chalmers, secretary-treasurer Murray and eight members of the public.

Board approved the action of the committee of the whole board meeting held in February with respect to Mr. MacIver's recommendation on the cost of preparation of plans and specifications for the additions to the Sir George Simpson Junior High and the Sir Alexander Mackenzie schools.

The following recommendations of the committee of the whole were also approved:

Expenditures totaling \$401,500 out of the prime cost sum of the Sir George Simpson Junior High School addition contract.

Removal of expenditures totaling \$240,35 from change order No. 3 for the Sir George Simpson Junior High School contract.

Installation of Ozite carpeting in the assembly area of the Sir George Simpson Junior High School.

The superintendent to submit estimated costs for renovations of the Sir Alexander Mackenzie school to the school buildings board for approval.

The following internship policy was approved:

This district provide for a maximum of six internships per year at the discretion of the superintendent. Additional internships may be granted with prior board approval.

The superintendent shall

be prompt and diligent in informing the school board of any internships established.

Each internship shall be for a maximum of 30 days. Interns shall receive remuneration at the rate allowed for substitute teachers.

Internships shall be granted only to those teachers who have undertaken to teach for the district on the basis of a regular appointment. Normally, such service will

PTA Hears Dr. Kratzmann

The regular monthly meeting of the Leo Nickerson P.T.A. on March 20 found the evening well worth their time.

Guest speaker Dr. A. Kratzmann, head of the elementary department of education at the University of Alberta, spoke on "Early Childhood Education" and gave his audience an enlightening evening.

Teacher qualifications in elementary grades, the learning capabilities of the three and four year old child, were discussed by Dr. Kratzmann.

The questions put to him following his remarks, showed the interest of the group in these important years of a child's life.

In the business meeting, the nominating committee submitted the slate of officers for the 1968-69 executive. There were no nominations from the floor.

Hospital Administrator Mr. Townend chats with Mrs. Dogger as he accepts the first donation to the hospital on behalf of the Sturgeon Hospital Board. The donation was made Tuesday at Youville Home. Gazette Photo.

It was a pleasant surprise indeed for the local hospital administrator when he picked up the telephone one day this week to hear, "I

would like to make a donation of \$20 for the new hospital in St. Albert."

The caller was Mrs. Margaret Dogger, a resident of

the Youville Home and her gift was the first received by the Sturgeon Hospital Board. Mrs. Dogger who is 58 years old came to Canada from Delft, Holland as a girl of 18 and has made her home in Edmonton area for forty years.

Use of Surplus Huts Discussed

In October 1966 the electorate of St. Albert decided by plebiscite that they did not want town supported kindergarten or nursery schools. Nothing has happened since, publicly, to alter this decision. Yet, council decided at the council meeting on Monday, Mar. 25 to support a private kindergarten school to the extent of somewhere between \$4500.00 and \$7000.00 or perhaps more.

What in fact council did was to pass a resolution approving a recommendation of the finance committee which reads as follows:

Wheatley that the Committee approve in principal the proposal of the St. Albert School Society regarding the erection of a hut for pre-school classes on the following terms:

1. The Society to provide all labor to erect the building and supply all electrical, plumbing and heating fixtures as required.
2. The Society to provide letters of undertaking from qualified electrical, plumbing, and heating tradesmen that all work will be done to Town standards.
3. The Town will provide up to \$2,000.00 for the purchase of fixtures and fittings, and will provide utility connections.

The town entered into a rental agreement with the Society for a five year term.

Councillor Gibbon pointed out in a written submission to council the following:

Proposal by St. Albert Creative School Society to Finance Committee March 18/68.

Town to supply land and war surplus hut plus up to \$2,000.00 for construction purposes. The Society will repay maximum of \$2,000.00 plus utility connections costs over a period of five years, a probable maximum of \$2,500.00 or \$500.00 repaid yearly.

The Society to have exclusive use of hut for five years, with rental rights following this period which probably means for the life of the hut or infinity.

Board to Call Tenders

The Board of St. Albert School District No. 3, intends to call tenders for a 14,000 square foot addition to the St. Albert High School as soon as necessary financial approval is received. A petition against the By-Law will halt the project. If the board does not proceed then the educational program within the entire district will suffer in the next term. We presently have only two vacant classrooms and anticipate need for six in September 1968. This means that without the addition, libraries and auditoriums will have to be used as regular classrooms.

The department of education has recognized our need and proper approval has been received. The advertised money by-law seeks approval to borrow up to the stated amount. The amount borrowed will equal the contract price plus tendered amount for equipment. The actual cost should be entirely paid by the grants from the foundation program fund and will not affect the educational mill rate in St. Albert.

For additional information please contact the District Office at 599-7711 or Mr. D. Fraser, Chairman at 599-7005.

Speaking Contests

Students from grades one to 12 in all St. Albert school are preparing for the finals in the second annual Public Speaking Contests, sponsored and arranged by the St. Albert Local of the Alberta Teachers' Association.

Final competitions for the Grades five and six students will be held April 3rd at Father Jan School at 1:15 p.m. The George Simpson, Alexander Mackenzie, Leo Nickerson, Vital Grandin and Father Jan schools will be represented.

Students in Grades 7-12 will compete in three levels of competition on April 5th at Paul Kane High at 8 p.m.

The public is welcome to attend the speaking finals to hear the young people's talks and adjudication. Judges for Grades 7-12 are Don Biamonte, head of the English department at Archbishop MacDonald School; Ken McBride, executive assistant to the ATA and Miss Theresa Cossitt, reading specialist from the University of Alberta.

IODE Plans Project

Father Lacombe Chapter I.O.D.E. held their monthly meeting at the home of Mrs. D. P. Martin, Mar. 20. The Chapter will once again conduct their "Bouquets for Books" sale, with canvassing to start at the end of April. Several members will be assisting at the Mar. 30 tea marking the 50th anniversary of the C.N.I.B. The meeting discussed the Chapter's participation in Daffodil Day in St. Albert, April 6. Members will be selling daffodils at the Grandin Shoppers Park and on Perron Street with all proceeds to the Cancer Fund.

Cancer Drive Starts Monday

The Cancer fund drive, this year with the sub-title "Housewives' Donations" will be conducted April 1 to 15 under campaign convener Mrs. Sadie Adams.

Collection jars will back up the drive in the offices of the Bank of Montreal, Bank of Nova Scotia and the St. Albert Savings and Credit Union. Persons living in the country who wish to help may address their contributions to Cancer Fund, 12 Perron Street, St. Albert.

Housewives who have volunteered as team captains are: Mrs. C. VanDerStraten, Mrs. Betty Swain, Mrs. R. G. Govenlock, Mrs. Nelson, Mrs. K. Oddleifson, Mrs. A. Anderson, Mrs. Eileen Gibbon, Mrs. R. Thordson, Mrs. Marie Houle and Mrs. Nellie Nuls.

The congregation of Braeside Presbyterian Church gathered for the sod-turning service for the new church following the regular morning service on Sunday. Shown with the Reverend W. Jarvis is Mr. Bill Lowrie, chairman of the building committee, who turned the sod. Mayor R. S. Fowler brought greetings from the town. Construction is expected to begin this week. Gazette Photo.

Montessori and The Happy Child

as presented to the Gazette by the Montessori Schools

A group of children happily absorbed in a number of different learning activities: this is one of one's first impressions upon entering a Montessori classroom. Each child may choose the material that interests it most, use it and put it back on the shelf, ready to make a new choice. Intelligence is characteristic of humanity and to exercise intelligence is a joy. The child in the quiet, orderly, and yet excitingly challenging atmosphere of a Montessori classroom may truly progress according to his abilities and interests.

The Montessori approach to education is based on the work of Dr. Maria Montessori; from 1907 to 1952. The structured learning materials used in the Montessori classroom have evolved over this long period of observation and experiment. During that time, and consequently, Montessori schools have been founded in many parts of the world - Italy, France, Holland, England, Ireland, Germany, Ceylon, India, Australia, Canada and the United States. Many of the schools are for children under 6 years but some provide for children up to the Grade 12 level.

Mrs. Iris Chodan contacted the Gazette saying it is hoped to set up a system in St. Albert if sufficient interest is shown. A public meeting will be called if this interest is shown. Phone Mrs. Chodan at 599-8893.

Public Notice

BY THE BOARD OF TRUSTEES

St. Albert School District No. 3

PROVINCE OF ALBERTA

WHEREAS it is deemed expedient by the Board of Trustees of the St. Albert School District No. 3, of the Province of Alberta, that the sum of Two Hundred and Sixty Eight Thousand dollars should be borrowed on the security of the said District by the issue of Debentures repayable to the bearer in twenty-five consecutive annual instalments with interest at the rate of not more than eight per centum per annum for the following purposes, namely:

Constructing a frame and masonry addition to the St. Albert High School, 33 Malm Drive, St. Albert, Alberta, to consist of two regular class rooms, four ancillary rooms plus a typing and Business Vocation area, at an estimated cost of \$248,000.00, including professional fees; providing equipment, furniture and landscaping at an estimated cost of \$20,000.00.

THEREFORE notice is hereby given by the Board of the said School District that unless a poll of the proprietary electors of the said School District for and against the said Debenture loan is demanded as provided by The School Act, the said Board will apply Board for authority to borrow the said sum by debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

Dave B. Fraser
Chairman

Dated at St. Albert, Alberta this 20th day of March, 1968.

Instructions to Proprietary Electors in a School District.

1. A poll of the proprietary electors for and against the by-law be demanded within fifteen days after the date of the posting or of the last publication of this notice, the demand for a poll shall be in such form as is prescribed by the Minister and shall be signed

(a) in a district other than a city district, by fifth proprietary electors or by five per cent of the proprietary electors, whichever is the lesser number.

(b) in a city district, by one thousand proprietary electors or by five per cent of the proprietary electors, whichever is the lesser number.

2. The demand for a poll should be delivered to the secretary of the district or, in his absence to the chairman of the board of trustees. A certified copy of the demand should be transmitted forthwith to the Local Authorities Board of Alberta, at Edmonton.

3. Proprietary elector means any elector, who is liable to assessment and taxation for school purposes in respect of property situated in the district.

begin at the commencement of the school year immediately following the internship, but may be postponed at the discretion of the superintendent for good and sufficient reason.

An internship may be renewed for a second or third year.

The following shall be eligible for internships:

Student-teachers who have completed a program of studies to the first certificate level.

Teachers from other countries where an internship appears desirable to

orient these teachers to our school system.

The system's internship program shall be a carefully structured experience under the immediate direction of the senior supervisor of instruction or such other person as the superintendent may direct.

The board approved in principle the recommendations of the text book rental committee as outlined in their report, and superintendent will prepare a policy in accordance with the report and to include provision for waiver of fees for special cases.

Transportation policy as approved at the February meeting will be implemented effective March 25.

There was some general discussion on this motion. The superintendent reported that the board's bus contractor, Mr. Allen would be prepared to provide transportation for those parents wishing it, who live in the Mission Park area, for a fee of 25¢ per day, on the condition of a guarantee by the parents for the year. The superintendent recommended that the parents be advised of this arrangement and that the board not become involved in either collecting fees or administering the service.

The superintendent was requested to advise Mrs. Wiggins of this fact and also advise all parents in the area of the plans to discontinue the services effective Monday, March 25, 1968.

It was moved that the board consider the financial advantage to the district of discontinuance of morning and evening conveyance of pupils at the earliest practical date, and that discussion on this motion be deferred.

Town of St. Albert Notice of Special Meeting

A special Meeting of the Council of the Town of St. Albert will be held on Monday, April 1st, 1968 in the auditorium of the Father Jan School, commencing at 8:00 p.m.

At this Special Meeting the Council will consider the briefs which were submitted dealing with the question of amalgamation and will hear additional verbal presentations from those persons having submitted briefs who wish to speak.

This is an important meeting and the public is cordially invited to attend.

Golf Course Opens Saturday

With nine holes in good shape and the back nine coming along nicely, although a little soft yet, the St. Albert Golf Club plans to open Saturday. St. Albert has wonderfully scenic course, and 350 trees are now on order for planting this year to add further to the natural beauty of the site. The back nine holes were completely rebuilt last year, layed out to professional standards under the supervision of Pro Manager Mike Tomash.

The club is encouraging all golfers and would-be golfers in St. Albert to come out and try the course. With this in mind they have a block of shares available at a reduced

price of \$200, and any family buying a share this year will be an added bonus of free family green fees for 1968. (Ordinarily family green fees for shareholders are \$75). By comparison with city clubs this is a most attractive offer, especially when the shares are considered as a good

Velo-Sport encourages youngsters particularly those who prefer individual athletics to team games, to take up cycling as an excellent keep fit program and an exciting sport. Boys of 11 and 12 years are a good age to start. The club is planning a cycle-rental arrangement to make it easier for young boys starting.

The Velo-Sport Club, formed in August of 1966, is one of two cycle racing clubs in Edmonton, the other being 1st Victoria Cycle Club and plans for inter-club competitions are in the making.

investment. Soaring land costs, plus the fact that the tremendous increase in golfers is already straining the capacity of all Edmonton area courses, makes St. Albert's share offer this year a very good investment indeed.

Green fees are \$1.25 for nine holes during the week and \$2 for eighteen. On the weekend it is \$2.

While a clubhouse is still a project for the future, there is a pro shop where private lessons may be arranged and equipment rented and including a food concession. Picnic area and barbecue pits are set up for social events at the course and use of the course by families of golfers is encouraged.

Groups wishing to book tournaments at St. Albert course may do so by booking early with Geoff Wright, tournament chairman.

The 1968 executive of the St. Albert Golf Club is as follows:

Mike Tomash, Pro manager; E. Alex Bendera, president; William Hart, vice-president; Terry LaCasse, sec.-treasurer.

G. Wright, past president and tournament chairman. Mae Anstey, social.

Cycle Trials Here Sunday

A ten-mile cycle Time Trial will be staged here next Sunday by the Velo-Sport Edmonton cycle racing club. The cyclists will take off from the weigh scale on St. Albert Trail beginning at 2 o'clock.

Peter McCaffery of St. Albert won last Sunday's time trial event held on Highway 16 west. His time was 28 minutes, 35 seconds. Curt Lantinga, also local racer, placed 7th with a time of 34.32. Winds gusting up to 35 mph made racing conditions difficult.

In the school boys 5-mile event Mark Raven of Leo Nickerson School placed first with a time of 24.04 followed by Greg Peters of St. Anthony's with 24.31 and Chris Nickerson also of Leo Nickerson in third place.

The club held a total of 60 road racing events last year and were assisted with donations of trophies for the major events by Denis Baker of St. Albert, owner of Klondike Architectural Hardware Ltd., and Mrs. Gardiner of Sunalta Appliances.

the Gazette REFLECTS

Municipal school trustees all over Alberta are working, studying, planning and meeting again and again, with teachers' salary committees, bus contractors, janitors unions, architects and builders, in an uphill struggle to meet the rising costs of education. In practically every case these men are businessmen or farmers who sacrifice their own interests to make this time available.

The provincial government's foundation program for education is obviously not adequate, and it becomes more obvious each year that new sources of revenue must be tapped for education.

Teachers' salary requests are generally reasonable. New classrooms must be provided as they are needed. The problems are not going to melt away, and school board cannot obtain extra funds continually from property owners, who are approaching the breaking point in school taxes.

If a sales tax is needed, the province should implement it - unpopular though it may be with the voting public. It may be that too many services are being provided by the provincial government, and some of these will have to go for the simple reason that the taxpayers cannot afford them.

A qualified team of controllers and efficiency experts might well be able to free considerable public funds for education by decreasing non-essential services, boards, departments and provincial payrolls.

It is time for the provincial government to take a long hard look at the situation. For under our constitution the province is responsible for education. If things go on as they are the municipalities may soon face yet another serious problem: the kind of capable, dedicated and hard-working men and women who have for years served as school trustees, may refuse to do so any longer under near-impossible conditions.

Huts Discussed

Cont'd from Page 1

Gibson, that the staff investigate with the Society, the requirements of a building to be used as a kindergarten and nursery and secondly, that the staff determine what the annual rental should be in order that this would not be a drain on public funds. This was carried with no recorded opposition. (Resolution 5076)

"I contend that the present proposal, as was the proposal made in June 1967, would be a drain on public funds."

| Le. Minimum cost to Town (Public Funds) | |
|---|------------|
| Cost of Land | \$2,000.00 |
| Cost of Hut | 2,500.00 |
| Construction | 2,000.00 |
| Service Connections | 500.00 |
| Minimum Total | \$7,000.00 |

\$7,000.00 amortised over 10 years at 8% = \$10,014.00 or approximately \$1,000.00 yearly.

Additional costs would be incurred due to upkeep of building and grounds, insurance, and possible, municipal tax portion for foundation plan, plus other possible costs. "I further question the Council's right"

1. To enter into a proposal with a private society whose charter may be changed or discontinued by application to the appropriate government body prior to the full five year period.

2. To appropriate a public building for the exclusive use of a private society or enterprise.

3. Morally to supply facilities at public expense for a private nursery school and kindergarten when these facilities were publicly rejected in a plebiscite held October 1966.

4. To encroach on an educational responsibility, not a municipal one.

5. To create such a precedent.

"I will not support the current proposal, I will support a proposal which I feel is not a drain on public funds as per resolution #5076."

"I am personally in favor of the society's program and fully sympathize with its problem but do not feel I can allow my personal feelings to sway my judgement as a councillor in the matter of expenditures of public funds."

As can be noted from the council's resolution and the cost must be added to the already too high taxes and council members must be prepared to defend their decision before the elector-

ate. Any subsidizing by the council must be for the good of all not be restricted to the few who are in a position to pay the \$6,000 per month or whatever is required to attend these schools.

"Conflict of interest" must morally, if not legally apply to all public decision. In this instance, the fact that Councillor Bakker's wife is an active supporter and promoter of this project poses a moral "conflict of interest".

Undoubtedly Councillor Bakker should have, on moral grounds, refrained from voting, even though it meant, as it would have, the motion being lost.

Around Town

Two readings have been held and Mickey MacDonald has almost completed casting for the forthcoming St. Albert on Sturgeon Players production of Noel Coward's "Blithe Spirit". This hilarious play will run Mar. 8, 9, 10 and 11 at the clubhouse. Several good parts are still available and the players are most anxious to hear from interested men and women, preferably with an English accent. For details contact Shirley Martin at 599-7570.

District Governor Duncan Larbaestier officiated at the bi-annual induction ceremony Mar. 19 at which the St. Albert Lions Club welcomed 19 new members. This was the largest number of new members to be installed at any one time, and brings the Lions membership to 69.

People make News

Dr. & Mrs. Marcel Venne, 22 Glenmore Crescent, are the proud parents of a baby boy, Scott Blair Joseph, born Mar. 18. A playmate for Maureen, Maternal grandparents are Mr. and Mrs. A. B. Blair, 19 Mission Ave., First great-grandson for Mrs. A. P. Gillies of Edmonton. Paternal great-grandmother is Mrs. Ellen Venne of Vegreville.

Mr. and Mrs. Brian O'Kell and their children Martin, Adrienne, Andrew and Desmond, 55 Grandora Cres., returned last week from a three week vacation in England.

John Downes, George Willis and Stu Rindero, along with a group from the Edmonton Oil Capital chorus travelled to Medicine Hat Mar. 16 where they placed first in the Provincial Barbershop singing championships. The group now goes on to the Evergreen District championships to be held in Spokane later this year.

Skating Club

The final meeting of the season for the St. Albert Figure Skating Club was held on the evening of March 14, in the United Church Hall. Following a brief business meeting, at which the new executive was elected, the girls were presented with badges they had won at their recent tests. The evening closed with a social time and refreshments.

The 1968/69 executive will be: Mrs. E. J. Chyzowski, president; Mrs. Wm. Webber, vice-president; Mrs. S. M. Ross, secretary-treasurer. Area supervisors - Mrs. M. J. McNeill, Sturgeon and Mrs. P. Mat-ear, Grandin.

Carnival co-ordinators - Mrs. J. Tomlinson, Mrs. A. Rutledge, Test chairman Mrs. V. Pavelich.

The outgoing executive would like to thank all the skaters and their parents for a most enjoyable and successful year.

Some 500 persons enjoyed the fun and games, food and entertainment at the St. Albert Lions Klondike Tombola.

The St. Albert Anglican Church women met at the home of Mrs. E. Shanley Mar. 18. The meeting discussed plans to attend the Diocesan Annual which will be held in Edmonton, April 22. It was decided the Anglican Church women will cater to two Brownie and Guide banquets in May.

Approximately 20 persons enjoyed a program of recorded modern church music at the United Churchmanse, Mar. 19. The program was presented by Mrs. A. B. Dryburgh of the literature depot, Alberta College.

The Beta Sigma Phi sponsored Red Cross blood donor clinic was attended by 115

donors. The Chapter wishes to acknowledge the assistance of the high school students who organized the student "Bleed-In", which saw some 45 teenagers donate blood, the Boy Scouts, who delivered pamphlets and a sincere thank you to all the young people and adults who took the time to give a gift of life.

A first rate, well balanced Barbershop Chorus for St. Albert? It can be done with a little support from local singers. The St. Albert Barbershoppers hope to build up their chorus and start a chartered chapter in town. Men who enjoy singing and good fellowship are asked to contact Stu Rindero at 599-6204. The St. Albert group has a good leader in the person of Ed Arklie

and the potential is there. All that is needed now is more voices.

The Third St. Albert Guide Company and the Morinville Guide Company enjoyed a guided tour of the legislative building Mar. 23. The approximately 50 girls were accompanied by their leaders.

The St. Albert Womens' Institute will present "Festival of Fashions" at the Father Jan School, Friday, Mar. 29 at 8:30 p.m. Fashions by Woodwards will be shown by local models. Tickets at the door or from W.I. members.

The Legion Auxiliary grocery hamper was won by Mr. A. Lindolm of Red Deer. The ticket was drawn Satur-

day night at the Auxiliary's "Get Acquainted Social" held in the Legion Hall.

The meeting of the "Mother's Help" organization as reported in the Gazette last week was changed from Mar. 29th to April 5th. All interested persons are asked to take note.

On the Teen Scene

Shirley Mae, daughter of Mr. and Mrs. M. F. O'Neill 41 Spruce Crescent, placed first in the reel and second in the sword for her age group at the Highland Dancing competitions held in Edmonton, Mar. 16. Earlier this month Shirley Mae, a Grade 10 student at St. Albert High, danced in Lethbridge, where she also won a first prize.

The Arts Centre Company of Calgary, directed by Douglas Riske, played to an audience of Paul Kane students last Thursday afternoon. The company, which consists of three male and two female actors plays exclusively to schools. It was started as a Centennial project when it was found that Alberta was the only province that did not have a professional group doing student tours. Eighty actors from all over the country auditioned for the company. At Paul Kane the group did a number of poetry readings, several scenes from Macbeth and a hilarious scene from The Taming of the Shrew. The performance was well received by the students who, after the show had the opportunity to meet the actors. Thursday's performance was under the sponsorship of the Paul Kane students' union.

Paul Kane's annual Variety Nite will be held Wednesday, April 3 at 7:30 in the school auditorium. Admission is 50¢. If previous shows are any indication this will once again be a most enjoyable evening. A two hour family show is planned with as special door prize a fully constructed full size playhouse! Plan to attend!

The Paul Kane students union ask that all students give careful consideration to how they wish the \$400 to be spent. A vote by ballot will be taken soon. Students will be asked to decide on one of the following: the purchase of library books

and equipment, the purchase of new band instruments, scholarships or improvements to the stage. The students' union personally support the stage improvements or the acquisition of library books and equipment.

The coffee house committee will be sponsoring a barn dance this Friday night at the R.C. Church Hall from 7 p.m. to 1 a.m. Everybody welcome, proceeds to the Sanctum.

Curling at St. Albert High finished last week with the Neil Flynn rink in first place. Last Saturday the Flynn rink of Jan Donalds, Kerry Cassidy and Rosemary Halawa competed at the Leduc bonspiel. The foursome didn't end up in the winners circle but report a good time.

Braeside Youth Sunday

Music and drama by the teens of the congregation will be featured Sunday, March 31, which is Youth Sunday at Braeside Presbyterian Church. Hymns will be in the contemporary mood with music provided by St. Albert musical groups. In place of the regular sermon the young people of the congregation will present a religious drama.

All young people from St. Albert are invited to join in this special service at 11:00 a.m. at St. George Simpson Junior high school.

Anglican Church

The recent Confirmation was a memorable service. Some sixteen candidates were received at that time into the full fellowship of the church. Bishop Burch spoke briefly on the meaning of the promises made at confirmation by the candidates and the service was followed by a brief reception in the assembly hall.

Election of new People's Warden will take place on Sunday March 31 during the course of the morning service.

Vestry opens way for possible Joint Association of Parishes. Following informal conversations, in which the wardens of both parishes have been involved, St. Matthew's Vestry at its last meeting officially expressed an interest in the possibility of a shared ministry with the Parish of the Good Shepherd in Edmonton.

Sunday March 31 - A presentation, Bilingualism and Biculturalism. Sunday April 7, Blessing of the Palms.

The St. Albert hockey teams played exhibition games at Jasper last Saturday and Sunday. The Wildcats lost their two games 6-1 and 8-3 and the Safe-

way Bantams were defeated 5-3 and 4-3. Despite the disappointing final scores the pucksters had a good time and really enjoyed the trip.

What's going on at your school? The Gazette welcomes news of our young people. Paul Kane's Elizabeth Bowen and Chris Soder

and St. Albert High's Roseanne LeBlanc and Jan Donalds have promised to keep us informed, pass along your news to them, please.

Poor Return of Hog Ballots

The ballot return from hog producers in Alberta on the subject of marketing was only 3,500 out of a possible 258,000 on Monday, the date set as a deadline. Ballots will be received through this week and final count will be tabulated on Saturday, Mar. 30.

The meetings held throughout Alberta drew large crowds for the most part and both spirited discussion and probing questions. For this reason a much larger ballot return could have been expected on so vital a question to the producers of hogs.

Trustees Report Good Seminar

Mrs. Anne Kryskow and Matt Tellier, Thibault School trustees and Senior Principal W. J. Fitzpatrick attended the Administration Seminar held at the Macdonald Hotel, March 20, 21 and 22.

The Seminar is conducted by the Alberta School Trustee Association, 84 trustees secretary-treasurer, superintendents and others registered for the course, representing 34 school systems, north of Red Deer.

Opportunities were provided for interesting and lively discussions pertaining to education. Informative speakers, such as Dr. E.

Producers should have a firm say in the marketing of their products. So far less than 13% have taken this opportunity to have their say.

Bursar Corrects Figures

In the second section of the Gazette of March 20, 1968, page 5, the report on the Thibault School Annual Meeting states:

"The financial report showed a deficit of some \$10,000.00. Rental fees have doubled from Notre Dame Convent in recent years for classrooms."

As bursar of Notre Dame Convent, I wish to protest. Here are the facts:

In 1966 the rental fees paid the Convent were \$3,150.00.

In 1967 they were \$2,880.

Far from having doubled as stated in the Gazette, the rent paid the Convent has decreased by \$270.00 in 1967.

Hodgson who spoke on Local Control-Fact or Fantasy, gave the trustees much information.

Dr. T. C. Byrne, Deputy Minister spoke on The School Board, Superintendent and Business Officials. "New Direction in Teacher Education" was the topic that Dr. H. T. Coutts, Dean of the Faculty of Education discussed with the trustees.

Recreation Report

WELDING

Instructor, Mr. Gustave Ricard; assistant, Mr. Leon Schayes; helper, Mr. Raoul Labonte.

Nine boys between the ages of 13 and 19 meet regularly on Tuesdays at 7 p.m. at Andy's Service to receive instruction in the 1st year apprenticeship. Electric and acetylene welding is done.

The boys have completed two projects: centennial emblems and welding tongs. Their new project at present is making a stand for acetylene and oxygen tanks. After this, they will be free to choose their own project. On April 30 the final exam will be written by the boys.

Mr. Ricard and his assistants are to be commended for their work.

PAINTING

In December 1967, a group of twelve persons formed an oil painting club, with Mrs. Rose Brochu as president and Mrs. Gabrielle Ricard as secretary. Since then the group has met regularly once a week. So far they have concentrated on "still life" only, but when the weather permits they will attempt landscapes.

This will be discontinued for the summer months, but they hope to resume classes in the fall.

Everyone is enjoying the work immensely.

COOKING

Every Wednesday evening for the last seven weeks the kitchen at the Morinville Centre has been the faithful meeting place for some 25 amateur cooks. Talented gourmet artists have shared

This is due to the fact that fewer units were rented for a part of that year.

Undoubtedly, the rent expense listed in the 1967 Financial Statement includes rent for other units besides those at Notre Dame Convent.

I hope this will correct any false impression which may have been given by the above-mentioned report.

Sister Superior.

"Evaluating the School System", by Dr. O. P. Larson, was one of the most valuable presentations discussed.

This was one of the best seminars that the trustees have attended, and all left with some good ideas to bring back to their school systems, to help improve the education of children.

A smart girl is one who knows how to play golf, tennis, the piano, and dumb.

the secret of their specialties with the ladies.

Ukrainian, German, French, Mexican, Polonesian, Japanese and Hindu favourites were demonstrated by Mrs. A. Kryskow, Mrs. A. Maslyk, Mrs. R. Rustemeir, Mrs. Odelle Chevalier, Mr. George Lavallie, Miss E. Rivero, Mrs. T. Pstusjka and Mrs. J. Khullar.

On Mar. 27 Mrs. B. Carlson will present the group with a Norwegian dish. The series of cooking classes will wind up April 3 with Mrs. Jeannine Chalifoux demonstrating the art of candy making.

Morinville is fortunate to be able to claim so many talented people. All gourmet artists reside in the town with the exception of one.

RADIO

Boys ranging in age from 13 to 15 years gather upstairs in the old post office building on Wednesdays.

They are fortunate to have a well qualified instructor in the person of Eric Robinson who is presently teaching Industrial Electronics at NAIT. He holds an AMASEE, AMI-EETE AND MIEEE.

Instruction has been given in broadcast and amplifier techniques and in simple radio servicing. At the present time the boys are working on individual projects. They are also working on a surprise project. Curious? Come to Frontier Daze and see what it is.

KEEP FIT

Louise Craig, our capable instructress, kept several ladies in trim from November to the end of February with her keep-fit program.

Keep this course in mind for next fall. It is well worth it.

DANCING

Approximately 61 young people are registered in dancing classes under the able direction of Mrs. Flotten and daughter Helen.

The first session ended in February. A second session started in March and will likely end in May. Lessons are given Thursday and Saturdays at the centre.

Municipal District of Sturgeon, No. 90

BY-LAW No. 59-68.

MOVING BUILDINGS ON MUNICIPAL ROADS

By-Law No. 59-68, being a by-law of the Municipal District of Sturgeon No. 90, Morinville, Alberta, for the purpose of controlling and regulating the moving of buildings on Municipal Roads:

WHEREAS, pursuant to Section 222, Part 13, Chapter 30 of the Vehicles and Highway Traffic Act, 1967 the Council of a municipality may make by-laws for the regulation and control of the use of roads under its direction and management;

WHEREAS, it is the Council's wish to control and regulate the moving of buildings by the issuance of moving permits through the Municipal Office for every building being towed, carried or in any other manner, moved on Municipal Roads;

WHEREAS, pursuant to Section 231 Part VI, Chapter 215 of the Municipal District Act, the Council may (a) impose a fine not exceeding One Hundred Dollars, exclusive of costs, for the breach of By-Law No. 59-68; (b) provide for reasonable punishment by imprisonment in the nearest common goal for any period not exceeding sixty days in case of nonpayment of the fine and costs inflicted for the breach of the by-law unless the fine and costs including the costs of committal are sooner paid; (c) provide that if the conviction is for the non payment of a permit fee payable to the Municipal District, the Court on conviction, may adjudge the payment thereof in addition to the fine.

THEREFORE BE IT RESOLVED, that By-Law No. 59-68 be enacted and that a permit be required for moving of buildings on Municipal Roads at the rate of \$5.00 per permit and that a fine be imposed pursuant to the Act for infraction of By-Law No. 59-68.

Moved by Councillor W. Flynn that By-Law No. 59-68 be given first reading this 15 day of March. MOTION CARRIED

Moved by Councillor W. Van de Walle that By-Law No. 59-68 be given second reading this 15 day of March, 1968. MOTION CARRIED

Moved by Councillor D. Bevington that By-Law No. 59-68 be given third and final reading this 15 day of March, 1968. MOTION CARRIED.

The above noted by-law does not pertain to the moving of granaries from one field to another.

PUBLIC SPEAKING

The Cool Spoolers Speak-Offs will be held on Sunday, April 7 in the Parish Centre. The members have already started to practice for this event. Bernard Lavallee spoke to us on the art of public speaking at a meeting on Feb. 26. Mrs. Roland Riopel came on March 11 to give us additional coaching on Public Speaking.

Remember the 4-H Speak-Offs are open to the public. Please support your local club members. The local winner will go on to the Municipal Speak - Offs in Villeneuve.

Candidates Deposits

Alberta's new municipal elections act give municipal councils the authority to require election candidates to post deposits of up to 100-dollars in case of cities and 25-dollars in the case of other municipalities.

The deposit shall accompany the nomination papers and will be refunded if the candidate is elected or obtains a number of votes at least equal to half the votes polled by the successful candidate.

The money may also be refunded if a candidate withdraws within 24 hours from the close of the nomination period.

Fire Protection M.D. Sturgeon

The Municipal District of Sturgeon has purchased four fire-fighting units which were delivered Tuesday under the supervision of Councillor Lawrence Kluthe.

Each unit will serve one of the four newly-established fire control districts, under the M.D. overall plan for more efficient and updated fire protection. The trucks will be stationed in the following centres from which they will serve their respective areas: Gibbons, Legal, Morinville and St. Albert. Each will be operated and maintained by trained fire-fighting personnel.

The entire M.D. of Sturgeon has been divided into four fire control districts as depicted on the maps in this issue of the Gazette. Each district has its own telephone number for fire calls.

All residents are asked to locate their own fire district on the map, with related telephone number and clip and post both map and number for quick action in case of a fire. Each fire unit will respond only to fires within its area boundaries.

New numbers to call in case of fire are as follows:

Amateur Hour Draws Big Entry

LEGAL - The Local Amateur Hour, presented by the Christian Ladies was held Sunday with 24 entries on a well-balanced program.

Mrs. Rita Prefontaine, president welcomed the audience and introduced the emcees for the evening, Mrs. Irene Maurier and Mrs. Rachel Legimbold.

The contestants displayed considerable musical talents with vocal and instrumental selections. Several participants were non-competitive but added very good entertainment for the audience, among them were the agile young dancers, students from the Flotten School of Dancing, a three and half year old singer, a sketch presented by the Grade 6 students entitled "Meet Mr. Virus", directed by Miss Simpson. While the judges were evaluating the scores the ladies had prepared a sketch "Marianne's Mortgage", under the capable direction of Miss Hyman.

The judges for the evening were Mr. Dick McNeil representing the Roberts School of Music from Edmonton and Mr. Hackman representing the ABC School of Music operating studios in Edmonton and St. Albert.

No names were given when introducing the contestants, each was given a letter and number.

Trophies were presented to the following winners: In the vocal group ages 8-11, Rachelle Letourneau; 12-16 Carmen Boissonneault.

Instrumental ages 8-11, Denis Boissonneault, violin; 12-16, Nicole Cyr, piano. Father Ricard addressed the audience and encouraged the parents to continue to help their children develop their musical talents.

Mrs. Irene Maurier, chairman of the social committee of the Christian Ladies would like to thank the members of the committee and everyone who contributed to make this evening such a success.

The ladies are to be commended for their wonderful performance in the sketch "Marianne's Mortgage" and thanks are also extended to Mrs. Wilfred Larose for preparing and serving lunch after the program.

Those participating were: Bernice Marlier, Louise Montpetit, Denis Boissonneault, April McCorrister, Flotten Dancers, Grade six, Doris Auger, Joanne Prefontaine, Sylvia Charrois, Rita Leframboise, Rachel Letourneau, Roger Brisson, Katherine Montpetit, Les Mariner, Nicole Cyr, Marguerite Montpetit, Lillian Brisson, Denis Nault, Carmen Boissonneault, Rachel St. Martin.

Terry Wojtkiw Wins Award

MORINVILLE

Terry Wojtkiw, patrol leader of the Eagle patrol in Morinville has been named Scout of the Year and winner of the John Bulger award, for the most outstanding scout in Morinville district.

He received public congratulations on a CFBN, TV newscast, March 19.

The award is an artistic root carving, fashioned from intricately twisted and gnarled willow root, attractively finished and mounted on a plaque. To win it a Scout must attend meetings regularly, take part in scouting activities such as badge work, outdoor trips and other projects and demonstrate a good attitude towards all the goals of the movement. Terry received his award at the annual Father and Son banquet in Morinville.

Girls Do Well
at Public Speaking

LEGAL - Rita Larose, Henriette Auger and Rachel St. Martin were named winners of the 4-H Clothing Club public speaking competitions held March 22 at Legal recreation centre, with 14 girls competing.

The evening opened with O Canada and the reciting of the 4-H pledge led by Marjolaine Chamberland.

Simone Demers welcomed everyone and introduced the judges and timekeeper. Judging were Mrs. Joseph Nault, Mrs. Roger Caouette from St. Albert; and Mr. Fred Clark, public relations with the Federated Coops Edmonton.

Cecile Caouette and Rachelle St. Martin shared responsibilities as chairman for the evening.

The girls really held their audiences' attention with the four to six minute speeches. Every member had an interesting topic, with very good material and composition. The competitors also showed ability doing impromptu talks on various subject, with only one minute to think about it.

While the judges were evaluating the points, coffee and doughnuts were served.

Members of the Christian Ladies, sponsors of the club, presented trophies to the winners: Mrs. Emile Prefontaine, president made the presentation to Rita, Mrs.

Leo de Champlain, secretary, to Henriette and Mrs. Walter Van de Walle, 2nd vice-president, to Rachel.

Honourable mention was awarded to Cecile Van de Walle and Cecile Caouette. Rachel St. Martin thanked the judges, the timekeeper, and everyone attending, for encouraging the group, especially their sponsors.

Cecile Caouette presented the judges and timekeeper with a little souvenir as a token of appreciation for fulfilling their difficult task so well.

The members were free to choose their topic and they were as follows:

Diane Gerla, "It Takes a Human"; Deborah St. Jean, "Beauty"; Henriette Auger, "Leadership"; Rita Larose, "Dental Hygiene"; Marjolaine Chamberland, "Being a Hostess"; Louise Caouette, "How to Build a Wardrobe"; Rachel St. Martin, "You're in Charge"; Dolores Prefontaine, "Looking Best"; Rita Tieulle, "Racial Prejudice"; Sylvia

Holding their prize trophies are 4-H public speaking contest winners from left to right Henriette Auger, 2nd place; Rita Larose, first place and Rachelle St. Martin, third.

Auger, "Prescription for Racial Prejudice"; Cecile Van de Walle, "Hobbies"; Cecile Caouette, "Open Your Door to Charm"; Carmen

Boissonneault, "Golden Rules for Parents"; Simone Demers, "In Search of a Definition";

YOU CAN RAISE YOUR INCOME BY AS MUCH AS \$3,500 PER YEAR

RAISING CHINCHILLAS WITH CANADA'S LARGEST CHINCHILLA MARKET CO-OP

CHINCHILLA has long been recognized as one of the world's most valuable furs. The velvety softness and light weight of chinchilla have contributed to the spectacular growth of this industry, and the demand for top quality pelts far exceeds the supply.

added income - second income families, in their spare hours, produce most of the pelts sold on today's market. You, too, can share in the millions of dollars being earned by these people throughout North America.

convenience - most Chinchilla Breeders begin in the basement of their homes or in their garages. Chinchilla are among the cleanest of animals, odor free, quiet and gentle.

investment - the Chinchilla business is one of the easiest, and least costly, in which to get started. If you are seeking security, are fond of animals and interested in making up to \$3,500 per year in your spare time, then as little as 4700 invested now can start you on the road to independence.

care and feeding - Chinchillas cost less than \$3,000 a year to feed and we provide all force priming, killing, pelting and marketing services. Sire exchange controlled by IBM machines.

Bon Accord Carnival A Success

The 1968 Ice Carnival was a success. The dates were Feb. 16 and 17 and the weatherman gave his full cooperation.

The carnival started off with a women's broomball game where the country women defeated the town women. The school children then participated in races and were awarded money for prizes. Next the men played broomball.

At 6 p.m., the cadets put on an excellent bean supper followed by a marching display.

The midget hockey team played against Gibbons and won. The International Date Line played for the teen dance to finish the Friday activities.

On Saturday, there was a variety of events ranging from hockey games to the crowning of the queen. The Bon Accord Pee Wee's won over the Namoo Pee Wee team. The Namoo Bantam hockey team then reversed the victory to their side by defeating the Bon Accord Bantams. The married men played a hockey game against the single men and the bachelors came out victorious.

The Carson Combo entertained a large crowd who witnessed the crowning of the queen and the draws for prizes. Miss Lorraine Ramstead was crowned the queen by Miss Dianne Kuzak last year's carnival queen. The queen was sponsored by the Community Club. The princesses were Glenna Chubb, sponsored by the 4-H Clubs; Francis Delage, sponsored by the Lions Club.

The door prize, a Polaroid Swinger camera, was won by Albert Hewitt.

Donna Hansen won \$5 donated by Jimmy Briggs Trucking Service. Charlotte William was the winner of the \$5 prize donated by Dorothy Rigney. Archie Schneider won haircuts for the family donated by Collin's Barbershop. Syd Greyson was the winner of dinner for two donated by Madelines Cafe. D. Draper won three sacks of potatoes donated by Carleton Potato Farm. Rev. R. Stewart won a case of Shell Oil donated by Russell Pawluk. D. Storey was the winner of two bags of fertilizer or \$5 donated by Alberta Wheat Pool. Dennis Barduzak won a load of gravel or \$5 donated by Don Carruthers. Mrs. Bertie Dostie was the winner of a load of water or \$5 donated by Bon Accord Industries. Don Potter won \$5 ditching or \$5 cash donated by Tom Lewis. Laurel Gibbs was the winner of booster cables donated by Stan's Esso Service. Micheal Delage won

Spain Buys

Spain will buy a minimum of 60,000 metric tons of Argentine beef and veal this year under a new agreement. Shipments will be in monthly quotas of 3,500 tons of frozen beef and 1,500 tons of chilled. The Spanish beef deficit for 1968 is estimated at 100,000 tons.

\$5 donated by Keith Everitt, M.L.A. Faye McBride was the winner of two gallons of anti-freeze donated by Bon Accord Sales and Service. Tom Birrell was the winner of a \$10 grocery voucher donated by Bon Accord Village Suppette. Gerald Hrychuk won a sack of grass seed donated by Federal Grain. Lucille Sevard won \$5 worth of merchandise donated by Morin Hotel. Paul Fee won two sealed beams donated by Lewis B. A. Service.

The Bon Accord Skating Rink would like to thank the people who helped to make their Ice Carnival a success. Special thanks going to the queen candidates, sponsoring clubs, community club, the cadets, the people who worked in the booths and at the doors, the people who donated prizes and who donated food for the booths. We'd also like to thank Mr. Cline for all his help and the people who helped fix the skating shack.

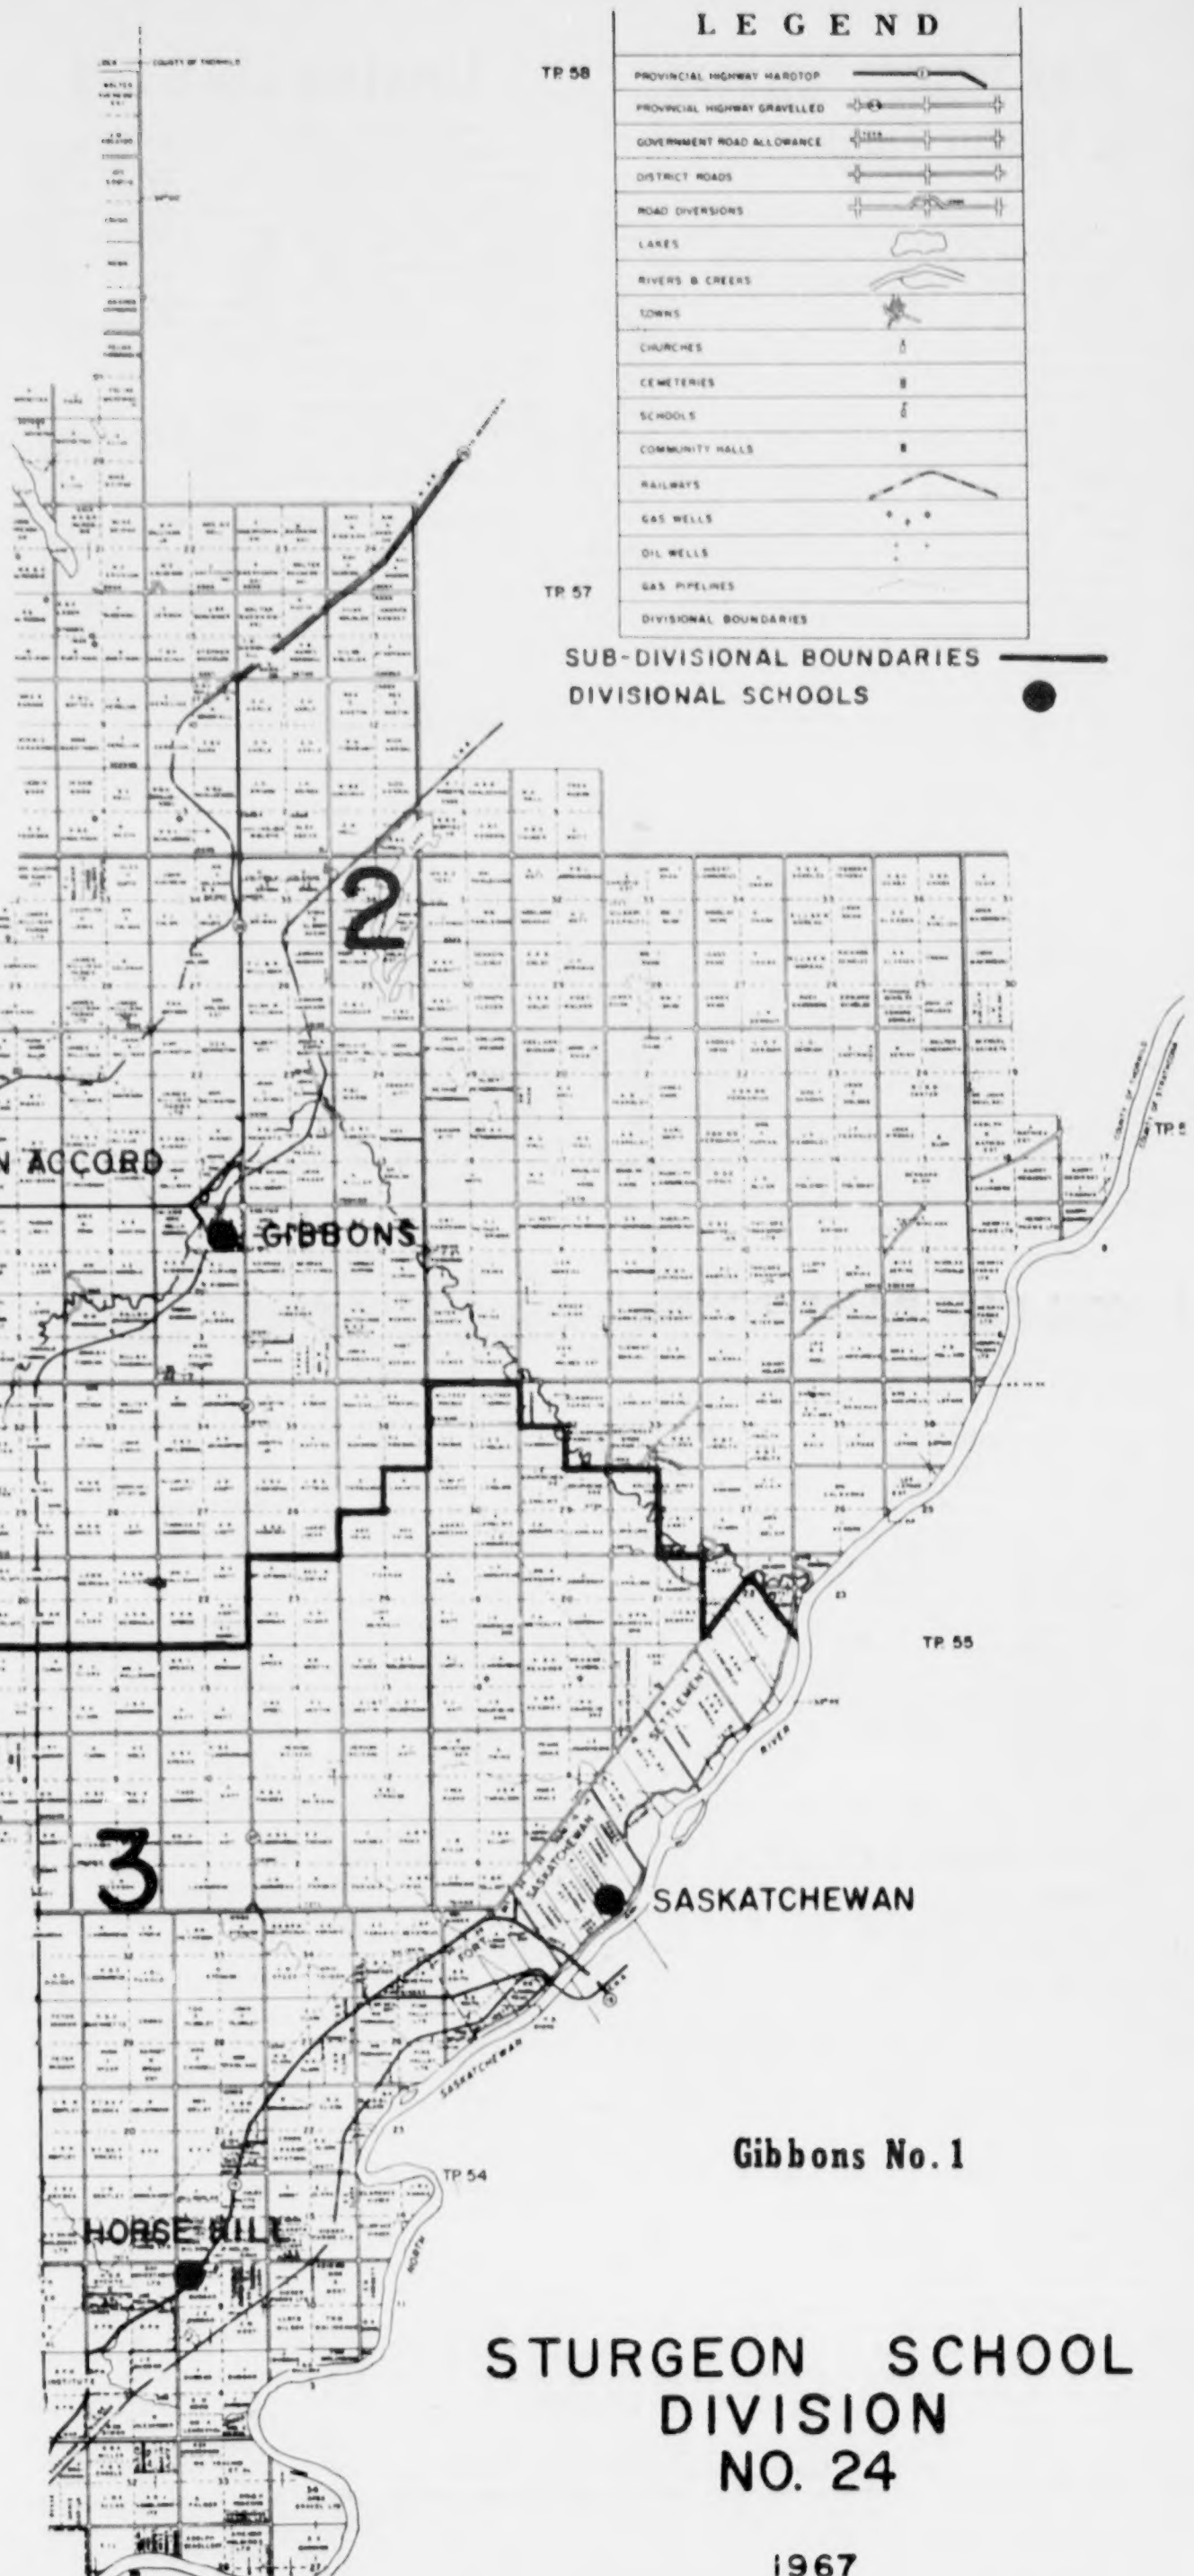

Morinville Bingo

MORINVILLE - \$1,000 in cash will be up for winning at the Cash Bingo by Morinville Community Sports Association April 5. There will be eight \$25 games, four \$50 games, one \$100 game and the big final for \$500.

Advance ticket holders will also be eligible for a \$25 door prize and these are on sale in Morinville and neighboring towns. It looks like a big night for bingo fans at the recreation centre next week.

Co-op Petrol

The first co-op petroleum service on Prince Edward Island was established recently by the Tignish Co-operative.

Vimy Swamps Barrhead in Hockey Final

The Vimy Rockets captured the trophy for the 3rd consecutive year by defeating Barrhead 8-4 in the fourth game of the Sturgeon River Valley Hockey league final series. (Barrhead had previously taken out the St. Albert Comets). The Vimy team came through with sterling performances as they have done in two previous final series against Barrhead. The scoring power of the explosive Vimy team was not to be denied from the 15 second mark of the first period.

Al Laplante blinked the red light for the opening goal with assists going to Leo Provencal and George Turcotte. The outcome of the game was never in doubt from then on. Shortly after, Leo Provencal came through with a scoring spark, assisted by Al Laplante and George Turcotte. D. Davidson tallied for Barrhead with the assist going to D. Bredo. Jos. Laplante carried the puck over the Barrhead blue line and passed it to R. Laplante who drove it home to make it three to one. Taking a pass from D. Baert at centre ice, Ed Bourque split the defence and scored to make it four to one. Al Laplante, unassisted, ended the first period at a 5-1 score.

Due to Vimy's outstanding goaler and stalwart defence-men, Barrhead were unable to capitalize when Vimy were shorthanded. G. Turcotte and Al Laplante assisted on Leo Provencal's two goals which ended the second period of 7-1.

R. Beniz scored the second and third goals assisted by D. Davidson and D. Bredo early in the third period to cut Vimy's lead to 7-3. Half-way through the period, Wayne Rimmer assisted by D. Gummow, tallied again for Barrhead. The most picturesque goal of the game occurred when D. Baert picked up the puck deep in Vimy zone, passed it to Al Laplante who carried it the length of the ice taking three Barrhead players in the corner with him. He then passed the puck to Leo Provencal who was unprotected in front of the Barrhead goal. The latter made no mistake, thus scoring the 8th and final goal of the game leaving a score of 8-4.

Grain Varieties 1968

Did you know that by choosing the right variety, some farmers have increased their crop output by as much as \$15 to \$20 per acre?

The Alberta department of agriculture publishes a list of crop varieties and a description of their characteristics so that, by assessing the facts and growing the variety on a trial basis, farmers can choose the ones that best suit their particular location and farming program. The department does not make specific recommendations for a particular area because soil, weather conditions, cultural practices and the use to which the crop is put can vary so much from one farm to another.

Livestock Like It Cool

A feature report on environment control and refrigeration by The Financial Post shows that cows, pigs, and hens are like human beings. They thrive in a controlled atmosphere.

Livestock, however, are far more blunt about showing their feelings. If a man has to work in an uncomfortable office, he may just shrug his shoulders and try to make the best of a bad job . . . and take it out on the family when he gets home.

But, the report points out, if cattle and livestock are not kept in comfortable temperature and humidity conditions they simply don't produce. The cows won't give as much milk. The hens won't lay as many eggs. And the pigs just won't grow to the size the farmer hopes for.

The report also discusses use of air conditioning in homes, schools, office buildings and factories, takes a look at new applications in medicine and points to new techniques which could lead to indoor farming by growing crops under cover.

If you own 1959 Canada Savings Bonds

Here's a special offer just for you

The Government of Canada has created a special new high-yielding security for the advance refunding of 1959 Canada Savings Bonds. These Special Replacement Bonds will be dated May 1, 1968, and will mature in 10 years 5 months on October 1, 1978. They will be available only in exchange for an equal amount of 1959 Canada Savings Bonds, and not for cash. Their average annual yield to maturity will be 6.88%. They will retain all the standard features which have made Canada Savings Bonds the most popular investment in Canada's history. This includes the right to cash them any time at any bank for full face value plus earned interest.

In addition, Special Replacement Bonds offer the opportunity to double your money. If you choose not to cash your regular interest coupons during the life of the bond, 3 Compound Interest Certificates then become payable for a total of \$280.00 extra (on each \$1,000.00 bond). This amount plus your regular interest coupons doubles your money. You can take advantage of this compound interest feature in various ways.

And that's not all. There will be two Prepayment Coupons, cashable May 1, 1968, attached to each Special Replacement Bond. They represent the 6 months' interest already earned by your old bond and the prepayment of the 3% non-taxable premium originally due November 1, 1968. On a \$1,000.00 bond, these two Prepayment Coupons will be worth a total of \$55.00.

The exchange procedure is simple. Take your 1959 Canada Savings Bonds to your bank, authorized investment dealer, trust or loan company. They will make all arrangements for you. Exchange your 1959 Canada Savings Bonds for the new high-yielding Special Replacement Bonds without delay. This offer expires on May 15, 1968.

How to recognize your 1959 Canada Savings Bonds

First, the serial number in red in the upper corner of each bond is preceded by "S14" in black. Second, the name of the issue, "Canada Savings Bond 1959 Series" is shown just below the serial number.
